

September 17, 2020

Dear students, dear members of your community,

We sincerely thank you for your trust and loyalty during these last 6 months.

Further to the announcements of the government of Ontario, planning the step 3 of the reopening of the economy on July 17, here is what Alliance Française considered to do:

**COURSES AND CULTURAL ACTIVITIES:**

All the classes – and the cultural activities – will remain online until November 12, 2020.

**TESTS AND EXAMS:**

We gradually resumed our exams center activities:

- TEF, DELF & DALF: Registrations are online, but the exams take place in our premises.
- TCF: No date available yet. Please visit regularly our website to be informed.

**RECEPTION**

The reception desk will remain closed until September 1st, unless books and tests results pickups. We will let you know about the agenda.

Your safety, and the one of our employees, is our priority. We are organizing our partial reopening with a strict sanitary protocol, which follows all the public health recommendations.

Of course, we can be reached over the phone 613-234-9470 and by emails [info@af.ca](mailto:info@af.ca) during business hours.
